

MASHREQ EQUITY DESK

International Equity Online Trading Platform – **Mashreq Trader Pro**

April 2016

INTRODUCING MASHREQ TRADER PRO

Your Window to Trading the World

The world's most intuitive Equity trading platform

Manage your portfolio easily on any device from a single account. View market prices on more than 10,000 instruments across Stocks. **Mashreq Trader Pro** gives you countless opportunities with zero complexity.

Move seamlessly between devices

Seize trading opportunities as they arise with a personalized and fully scalable platform:

- ✓ Place orders and monitor positions anywhere you go.
- ✓ Trade from the watchlist, the dedicated trade ticket or directly from the chart in real time.
- ✓ Apply technical analysis and annotations in just a few clicks with the brand-new charting package.
- ✓ Personalize the watchlist to keep an eye on the instruments that matter most.
- ✓ Enjoy a seamless trading experience with all settings carried over between devices, including mobile and tablet.

FEATURES

Easier, instant access on any device

Mashreq Trader Pro keeps you updated on your trading with easy access from all devices (iOS, Android and Web).

- ✓ Enjoy the convenience of HTML5 technology for a richer, faster application experience directly in your browser on any device you choose.
- ✓ Review your positions and portfolio development via comprehensive graphics that are easy to understand.
- ✓ Access a user-friendly and intuitive trade board that allows for instant trading.
- ✓ Manage your positions and orders directly from the position module.

Faster, more reliable connection to the market

Connect with your account across all devices swiftly and securely with a quicker, lighter platform that delivers fast trade executions:

- ✓ Accelerate your global market access with an online platform optimized for connections anywhere in the world for a genuine anytime, anywhere trading experience.
- ✓ Place market or limit orders - "stops", "trailing stop" and "take profit" orders - on over 30,000 instruments to protect your positions.
- ✓ Quickly switch between pre-defined watchlists or create your own.
